HI, ROADIUM FRIENDS,

As you are aware, Monday will mark 1 month that we have been temporarily closed due to Covid-19 and following the Safe @ Home mandate. However, the Radium has taken advantage of this down time to upgrade the grounds and operations. Our aim is to ensure an even safer and more hygienic facility to add your shopping experience. We will re-open stronger and better than ever. Stay tuned for more exciting news in the upcoming weeks. Remember, stay safe and healthy. Together, we will get through this!

## USEFUL RESOURCES AVAILABLE

During these difficult times, many financial corporations are helping those who cannot make their monthly payments. An example of the types of extensions are vehicle loans, utilities or phone payments. Most of these financial corporations are allowing late payments without a late fee, free services and/or waiving your payment for 60 days. Below are several helpful resources for you.
